Traditional Zanzibari Taarab, Norwegian folk and western popular music - perfectly fused without changing the wonderful laidback character of the music. 8 MP3 Songs WORLD: African, WORLD: World Fusion Details: The "Dhow Crossing" CD is a result of a three year collaboration between students and teachers of DCMA (Zanzibar) and Agder University College (Norway). The musical cross-over project was part of a Norad funded program. Recordings and concerts evolved through exchange visits between both institutions and countries. The result is a new musical landscape that has merged traditional Zanzibari Taarab, Norwegian folk and western popular music - perfectly fused without changing the wonderful laidback character of the music. The CD is available for sale at DCMA and other local retailers in Zanzibar and distributed internationally by Kultur Spetakkel.
