Irish Songs About Drinking for Those Who Love to Drink 16 MP3 Songs WORLD: Celtic, FOLK: Traditional Folk Details: A compilation of our most-popular Irish drinking songs about drinking. Marc drinks. Andrew drives. This partnership has led to one of the most-productive Celtic music groups in Texas. Though one half of the Brobdingnagian Bards does not drink, this doesnt stop the duo from having a lot of fun singing their favorite Irish Drinking Songs. You don't have to drink alcohol to enjoy this fun compilation of the Brobdingnagian Bards most-popular songs about drinking. We went through our earlier CDs and picked our favorites songs about drinking and put them on one CD. All of the songs are newly remastered. You'll find songs from A Faire To Remember, Songs of Ireland, Brobdingnagian Fairy Tales, and even a track from our first CD, Marked By Great Size. Plus, there are five new songs currently unavailable that we hope to release on one of our next CDs. Special thanks to Michael and Evo of SliceOfSciFiwho inspired the album. Thanks to Deb who helped inspire the idea for the CD cover which was photographed and designed by Marc Gunn.
