Pasqua was asked to join The New Tony Williams Lifetime along with guitarist Allan Holdsworth. After recording two Lifetime albums for Columbia Records, Alan relocated in Los Angeles. His career in L.A. broadened, as he started playing with more rock and pop artists. First, he joined Eddie Money's band. In the late Eighties, Alan teamed up with guitarist Dann Huff to form the rock band Giant. In addition, Alan has worked with composers, John Williams, Quincy Jones, Dave Grusin, Jerry Goldsmith, Henry Mancini and Maurice Jarre on motion picture soundtracks. He is recognized as the co-composer of the CBS Evening News Theme, which has been airing nightly since 1987. Also, Alan composed the soundtrack for Disney's hit movie, The Waterboy, starring Adam Sandler. Alan is no stranger to the jazz world, and is a highly regarded pianist and composer. His two CD releases, Milagro and Dedications on the Postcards Label hit the top of the jazz charts. All-stars Jack DeJohnette, Paul Motion, Dave Holland, Michael Brecker and Randy Brecker are featured on these recordings. Alans latest, for the Cryptogramophone label is entitled, My New Old Friend. This recording reached #15 on the National Jazz Airplay charts and was highly praised. In late 2006, Alan released his first ever Solo Piano CD, recorded in his studios in Santa Fe, NM and Santa Monica, CA. The music is all original compositions, half of which were spontaneously improvised and recorded. Most recently, Alan has teamed up with his former Tony Williams Lifetime band mate Allan Holdsworth, and formed a quartet that will feature Jimmy Haslip and Chad Wackerman. The band will revisit some of the original Tony Williams Lifetime material as well as play some new compositions. A spring 2007 tour of Europe and Asia, and a live DVD recording are in the works. Alan is also known for his contribution to jazz education. With a new book, The Diminished Cycle, recently published, he is currently an Assistant Professor in Jazz Studies at The Thornton School of Music, The University of Southern California in Los Angeles. A follow up to The Diminished Cycle entitled The Architecture of Music will be published in 2007.
