Quiet soothing music with Eastern overtones for tai chi, yoga and the healing arts. 9 MP3 Songs NEW AGE: Healing, WORLD: Asian Details: PC Davidoff is considered one of the pioneers in the field of music created specifically for the Healing and Relaxing Arts. Practitioners have been using his recordings to support and enhance their treatments for over twenty years. The instruments, tones, sounds and sonic frequencies he employs have been shown to calm the mind, soothe the body and touch the spirit. If you are looking for music to help you relax, then this album from PC Davidoff will not let you down. Featuring edited versions of tracks from the multi-instrumentalist's half dozen Asian-themed releases, this collection features enough peaceful energy to send almost anyone into a deep trance. The atmospheres presented here are simplistic and unobtrusive, featuring instruments like the Bamboo Flute, Chinese Koto, Harp and Shakuhachi Flute wrapped in velvety layers of ambient synthesizer. The use of nature sounds also adds to the album's "tranquility" factor. Throw in the fact that the running time extends over 70 minutes, and you have a great offering for anyone venturing into the realms of mindfulness and meditation.
