Quiet soothing music with eastern overtones for tai chi, yoga and the healing arts. 2 MP3 Songs NEW AGE: Healing, WORLD: Asian Details: PC Davidoff is considered one of the pioneers in the field of music created specifically for the Healing and Relaxing Arts. Practitioners have been using his recordings to support and enhance their treatments for over twenty years. The instruments, tones, sounds and sonic frequencies he employs have been shown to calm the mind, soothe the body and touch the spirit. A world of peace and tranquility awaits listeners with the enlightening sonic experience of BUDDHA. Filled with soft Asian textures and instrumentation like the Chinese koto, flutes, percussion and natural sounds bathed in waves of luxuriant ambience, Davidoff's creation is both gentle and illuminating. The album consists of two tracks: "Wind" and "Water," each with longer running times (20-30 minutes) and a meditative nature that makes them perfect companions for Yoga, massage or Reiki practices. So sit back... relax... and take in the sounds of pure healing from BUDDHA. You are all Buddhas -Siddhartha
