Specifically designed for those seeking weight loss and weight management. 1 MP3 Songs NEW AGE: Self-Help, SPOKEN WORD: Inspirational Details: Eric is Certified by the National Guild of Hypnotists, holds an advanced Master Clinical Hypnotherapist Certification from the International Association of Counselors and Therapists as well as being a Certified Sports Performance Specialist by the National Federation of Neuro-Linguistic Programming. He is an active speaker on hypnosis-related issues, speaking at The Learning Annex as well as at various other venues throughout the city. Eric has acted as a consultant for CNN on hypnosis matters and offers a variety of workshops at his office. He has both studied amongst award-winning novelists as well as being a veteran of the rarified world of law firms. As a result, he has an insight into both the professional stress management for the business world as well as the stress which can lead to creative blocks. Eric is a sensitive individual who has the ability to openly communicate with respect and integrity. His quest for profound connection with others is exceptional.
