Classical Strauss Waltzes 10 MP3 Songs CLASSICAL: Orchestral, EASY LISTENING: Background Music Details: Strauss Waltzes is a sampling of some of the finest works by Johann Strauss (1825-1899). If you are already a Classical Music fan then the music on this CD will speak for itself, If you are just curious about Classical Music then this is a great place to start. A lot of what we call Classical Music started out as Popular Music. Johann Strauss was the world's first Pop Star receiving requests for thousands of autographs per year and was surrounded by fans. He had a dance orchestra in Vienna and toured Europe and the U.S. Over 30 minutes of his work is faithfully reproduced by The Concert Orchestra on this CD and would be a great addition to any indie music fan's collection at a great price.
