This is the genius of Atlantas premier singer/songwriter Gareth Asher. I heard him from the on-air studio and immediately had to come out to our green room to check out the awesome sound I was hearingwhich doesnt happen often for me. -Chris Rozak (WEND Midday On-Air Talent) "Gareth is one of a kind. A lot of artists are just good at one thing; either they're a great singer, a great musician, a great songwriter or a great performer. But Gareth shines in all of these aspects. When youre listening to his music, it's like he's telling you a story of your life and when you see him perform, you can see the passion he has for his music. Everyone should give him a chance, because it's only a matter of time before he's up there with guys like Ray LaMontagne and Amos Lee." - Mark Gray (WRFX Asst. Promotion Director) When you listen to Gareth Asher or see him perform live, its a religious experience. The lyrics he sings and the music he plays are the verses that we all feel, but are not able to express. Hes a truly captivating artist musician. -Shelia Taylor (WEND
