A bunch of Irish music lovers are packed in one small room. You get the pleasure of leading them in song. That's what happened to 4 Irish Whiskey in the summer of 2007. A bunch of my fans joined me on a trip to Ireland and we had a good old fashion sing-a-long with a mix of traditional Irish songs and geeky favorites. It was a rollicking good time that got wilder and wilder as the night progressed and we drank more Guinness and Bulmers. Yes, it devolved into drunken bliss for drunk's sake. It's not fine art, it's intoxicated sing-a-longable bliss! So come join us!
