A must have for "The New Young Generation". Were so glad youve found this CD! Why? Because as adults, we all know that math skills will be vital to every childs future. It helps them in school at work in social situations in all areas of life. You simply cannot get along without it. But when kids struggle, and many do, we need a way to help. As parents, We know that success in math doesn't come easily for all children. Some time ago experts have discovered the simple secret to success in math - FUN. When children enjoy math and have fun with math - they learn. It really is that simple. Experts also agree that children learn far more readily when they are having fun. So what is the simplest way to have fun with math? MUSIC!!!!!!!and not just regular music, but the music that kids love and listen to everydayHIP-HOP!!!only this time without the language and subject matter that we as parents dread Multiplication Hip Hop with Mr.G The Kiddie Crunk Crew is an excellent way to introduce your kids to multiplication. This is a dynamic and entertaining CD that will help build the solid foundation in the math skills your child will need to succeed in school and in the future. This CD covers the 1 through the 12 tables. Each individual track repeats the lesson 4 times. The first two times your child is able to review and repeat the lesson along with the CD. The third is an interactive test of your child's knowledge and the fourth is a final review.
