A pop/jazz/classical crossover instrumental concoction for two violas and a Chapman Stick, created by Danny Seidenberg, long-time violist of the Turtle Island String Quartet, and Novi Novog and Larry Tuttle of String Planet and Freeway Philharmonic. 11 MP3 Songs JAZZ: Crossover Jazz, POP: Chamber Pop

Show all album songs: Alto Logic Songs Details: The UnBande is a new collaboration from Los Angeles whose unlikely instrumentation and unexpected stylistic forays make it undeniably unique in the string music universe. Two violas and the Chapman Stick...un-violins and the un-guitar. Crazy classical crossover, rockin pop, swingin jazz, fusion jazz, original compositions, and wild improvisation. Fun, fun, fun. Featuring 11 year veteran of the Turtle Island String Quartet, Danny Seidenberg, Novi Novog of Doobie Brothers and Prince fame, and the incomparable Larry Tuttle (Freeway Philharmonic, String Planet) wielding the Stick. It's a delicious light-hearted concoction that explores in depth the concept of What If?and Why Not
