

Sound Factory Loops - Inzane Beats - Beat Charm

[DOWNLOAD HERE](#)

Beat Charm is the first in our series of distinctive and attention commanding drum loop series 'InZaneBeatz'. Beat Charm is comprised of abstract room filling sounds with booming kick and a wandering synthetic sound that can make a song all by itself! Throw in a filter and some effects and any one of the over 100 loops and you're ready to command the floor. You have to listen to the demo to believe it! *Note: Some operating systems do not natively support the high compression ratio used in this download archive file (Windows). We recommend 7-Zip at 7-zip.org/ (free!)
