

Mp3 David Heaukulani - Slack Key 'ukulele

[DOWNLOAD HERE](#)

The first 'ukulele music CD dedicated exclusively to several Hawaiian slack key tunings and style. 12 MP3 Songs in this album (33:38) ! Related styles: WORLD: Hawaiian, EASY LISTENING: Mood Music People who are interested in Gabby Pahinui Ozzie Kotani Ledward Kaapana should consider this download.

Details: Hawaiian slack key music won back to back Grammy Awards for the Hawaiian music category in 2005, 2006 and 2007. This has elevated slack key to new levels of exposure and enjoyment. As a cultural icon in Hawaii it is tied generally to the guitar. With this CD David Heaukulani introduces this unique music style for 'ukulele players who can now enjoy the same pleasure of listening to Hawaiian slack key style tailored to the 'ukulele. Four different slack tunings are featured: Open G (taro patch), Wahine D, Wahine G, and F. David Heaukulani published the book, Ukulele Slack Key, in 2007 to accompany his 'ukulele classes he teaches at the East Hawaii Cultural Center in Hilo, Hawaii. This CD was basically a result of pleas from 'ukulele players who purchased the slack key 'ukulele book asking for a music CD featuring 'ukulele slack key styling.
