Details: "Finally a hip jazz duet book from a sax man who can really play. I recommend this to any teacher who wants to share good music with his students."-- Phil Woods The titles of Greg Fishman's new collection of duets read like a Chicago street map, and the music reads like a post-bebop encyclopedia of sounds and melodic shapes that are required repertoire for any young jazz saxophonist. This collection of duets is the most thoroughly notated and annotated that I've seen, a must-have addition to any student's collection, and to their teacher's library." Dr. David Demsey, Coordinator of Jazz Studies, Professor of Music, William Paterson University Endorsed by: James Moody, Phil Woods, Bob Sheppard, Plas Johnson, Gary Keller (University of Miami), Chip McNeill (University of Illinois) and Tim Price.
