Absolutely delightful pop in a '60s meets early '90s vein. 11 MP3 Songs POP: British Pop, POP: 90's Pop  
Details: From the mellow acoustic heartbreak of "Leaving With So Little Said" to the upbeat electric guitar  
chimes of "Brittle," INSTA are all about the purest of pop. Opinions today vary wildly on the actual  
meaning of pop, but the bands' founders, Adam and Catherine Cooper, will mince no words, however  
delusional, when offering up a simple definition for the widely overused term: "It's INSTA, of course!" All  
11 tunes on "Checklist for Love" attest to their confident claim as every song on their new CD sparkles  
with a sassy songwriting sensibility that showcases the band's skills juggling equal portions of happy 60's  
radio pop, sappy 70's lite-rock, mid-80's indie jangle, and early 90's guitar spacey-ness. As for the 00's,  
INSTA certainly admits to feeling a bit out of place amongst all the gyrating halter-topped hussies,  
blonde-streaked boy bands, tired punk rockers, and legions of growling mask-toting metalheads.
