Humorous, catchy children's music in a variety of styles from blues and folk to doo-wap rock and roll, that parents will enjoy as much as the kids. 17 MP3 Songs KIDS/FAMILY: General Children's Music, FOLK: Modern Folk Details: A collection of original music in a variety of styles that parents and children can enjoy together. A CD kids will play over and over, sing along with and dance with. Written to celebrate imagination, it covers childhood themes that are familiar to everyone, but with new twists and angles. One reporter called it a combination of Prarie Home Companion and Rafi. Most people who have bought one have come back and bought a second or third for friends and family. They make perfect gifts for the creative imaginative kids you know.
