After the death of Mozart in 1789 musicians began arranging his music for all sorts of occasions. These annonymous arrangements of great arias from Mozart's operas are wonderful with only 2 instruments 23 MP3 Songs CLASSICAL: Traditional Details: After Mozart died, it became fashionable to make arrangements of his opera music for small ensembles. This CD is an example of some of the arrangements made. The music sounds remarkably like the opera arias, with only a flute and oboe playing these beautiful melodies and filling in as many parts as possible.
