"Discover How To Quickly & Easily Maximize Your Email Opt-Ins, Have Your Visitors Tell You Exactly What They Want To Buy From You - And - How To Create Great-Looking Minisites With Surprising Ease..." PLUS - A Special Bonus For You: If You Order Today You Also Get Full Resale Rights To This Product And Website So You Can Sell It Yourself And Keep Every Single Dollar You Make! How would you like to have a brand new "Squeeze Page" on your website and collecting email addresses for you... in the next 30 minutes? That is what I'd like to show you -- how to create a fully functional Squeeze Page, create a minisite for it, and have everything online in 30 minutes flat. Well, perhaps an hour if you prefer to work at a more leisurely pace. :-) Squeeze pages don't have to be difficult to create ... even if you don't consider yourself technical in the least, but are comfortable using the basic features of software like FrontPage or DreamWeaver (or even free software like Nvu and Composer) that's all you need. It really can be a cinch to create fantastic looking Squeeze Pages. And that's not all... Want Easy Money? Here's the formula to getting the easy money online: Sell your visitors EXACTLY what they want to buy. Sounds simple right? And it can be. I'm going to show you how to put together great-looking and VERY EFFECTIVE survey pages in less than an hour. These special survey pages will get your visitors sending you information on EXACTLY what they want to spend money on, right into your inbox. And once you have this info, the faster you can turn the survey answers you receive into a product your visitors WANT to buy from you, the sooner and the bigger you'll cash in. Why do you think million dollar marketers online ... even billion dollar companies like Microsoft SURVEY their customers? Because it helps make them a LOT more money. I reveal exactly how to surprisingly quickly and easily create Squeeze Pages and Survey Pages to boost your profits online -- and how you can have these pages online in the next 60 minutes from right now! These deceptively powerful tactics come in the form of five videos you view directly at your computer. I've called this set of coaching videos Instant 'Squeeze Page' Mastery: These five videos come to a total playing time of 88 minutes. Here's what each video is about: Video One (12 Minutes) The first video in this series talks you through a detailed introduction of Squeeze Pages and Survey Pages, and also talks you through a number of very successful examples. Video Two (16

Minutes) Here you'll discover a remarkably quick and easy way to build great looking and fully functional minisites in less than 20 minutes! These are the exact minisite building tactics a surprising number of millionaire marketers use every day. Video Three (19 Minutes) This video will talk you through in detail how to create a Squeeze Page step-by-step, and it will also talk you through the advanced 'website building' functionality of the popular Aweber system so that you can create a brand new Squeeze Page in less than two minutes - plus - you'll discover an amazingly easy way to boost your email opt-ins. Video Four (14 Minutes) Here I talk you through how to create Squeeze Pages using the popular Get Response email management service and how to fix the issues the Get Response system can add to your website. Video Five (27 Minutes) Here I'll talk you through exactly how to build a survey page that sucks all the information you want from your visitors. And importantly - these survey pages are fully under your control and on your website (unlike all the survey services out there) and I'll show you how to get every single response sent straight to your email inbox. ****For PC's Only - Not For Mac**** I must tell you that this eBook only works (to my knowledge) on PC's. If your computer is running Microsoft Windows, you won't have any trouble at all viewing this eBook successfully. However, if you're on a Mac you'll more than likely have trouble viewing it. A Great Product + Resale Rights = BIG Profits For YOU I'm sure you know there's a ton of eBook resale rights around these days. BUT - if you really want to make money selling an eBook you have rights to, you need: *A very high quality product. *An effective sales letter. *A professionally designed website with great looking graphics. And just by having a copy of this product, you can sell it or present it pretty much any way you choose. You can even turn it into a physical product by putting it onto a data CD or a DVD. This would make it a good way to sell on eBay. It's totally up to you! It's More Than A 90 Day Guarantee - It's A Promise Unlike most people, I'm not going to bury my guarantee and hope you forget about it. I'm putting it here - right out in front. And you're reading it now because you really can't miss it in this bright yellow box. That's the point. I'm this bold, because I know you will LOVE this product, and find it hugely valuable. But, if for any reason for up to 90 days (that's a whole three months) after purchasing this product you choose it's not for you, all you have to do is use the simple contact details at the bottom of this website for a full, prompt, and no quibbles refund. I'm telling you this so that you realize there really is absolutely no risk to you at all. Click on the buy button now to order. If you're interested in the resale rights and selling this product yourself, I'm sure you realize that the sooner you get a copy, the more you will profit. The longer you wait, the more your competition will pick off your

customers. This video eBook is only \$1.49 Master Resal Rights, Mini-Webste(fully Editable), and Website Graphics included for free so you can upload and start reselling this hot new product immediately! To your success, Timm Miller info@4-your-mind.com
