Details: The Villebillies are back and ready to blow your mind with their latest release, From the Belly of the Beast!!! Known for their limitless experimentation with different sounds and musical styles, The Villebillies have put it all in perspective with this new album. Hard hitting songs span a wide range of styles yet flow seamlessly from one to the next as if to tell a story. Its a story of a band that has overcome adversity and emerged From the Belly of the Beast ready to take on the world. This fourteen track masterpiece, untouched by major label influence, showcases not only the bands musical prowess, but also their technical skill. The songwriting and production value far surpass that of their 2006 major label debut. An impressive feat considering the first album featured contributions by two Grammy winning producers. From the Belly of The Beast proves beyond a doubt that The Villebillies have mastered their craft and can stand completely on their own as a true creative powerhouse. The September 2008 release of From the Belly of the Beast marks the beginning of a new chapter in The Villebillies saga. With the drama of the past couple years behind them, the band is stronger, tighter, and more dedicated than ever to creating great original music.
