Tone Set #6 Dualtones This new Tone Set is for the Line 6 POD Farm software, and makes use of the dual tone layering feature. Each of the 128 preset (categorized into styles - Alternative, Blues, Clean, and Metal) is actually 2 patches, blended together for create a more textural and spacious sound. The Dualtones set was made with maximum usability in mind, this is not a bunch of sounds just slapped together and panned hard left & right, these are carefully made patches that don't purposely sound like 2 different tones in most cases.
