

# 30 Vintage Easter Illustrations

[DOWNLOAD HERE](#)

Thirty (30) vintage Easter greeting card illustrations from the Victorian Era (about 100 years old). These are Royalty-Free stock images (clip art or clipart). There are 30 individual JPEG image files, grouped in one "Zipped" folder. (The 30 square thumbnails are the cropped center of each image; and three images are displayed larger in the above preview for more graphic appeal.) IMAGE QUALITY: Our images are very clean and beautifully restored (all stains, fading, and scratches have been removed). Others may sell you larger groups of images at similar prices, but their images are no where near the quality of our images. (Many offer just raw scans.) We have a long history of supplying images for professional graphic designers and the publishing industry, and have many repeat customers. IMAGE SIZE: each decompressed JPEG image is at least 3.0 megabytes (1 megapixel), and average about 1290 x 820 pixels - RGB (8.6 inches x 5.5 inches @ 150 dpi). This size is perfect for making you own personalized greeting cards, scrapbook embellishments and for use in your craft projects. The quality of these images is so good, they can easily be enlarged to 300 dpi (2580 x 1640 pixels) for commercial printing. However, for highest quality we suggest ordering our 12MB (4 megapixels) size from OldPixels.com. USE LICENSE: These images may be use for most personal and some limited, small business (under 10 employees) uses. You may use the images in newsletters, brochures, web sites, and in advertisements. The images may NOT be: sold or redistributed to a third party (used to compete with us), used to reproduce any image more than 250,000 times, used in any "print on demand" products (i.e. postcards, mugs, t-shirts, posters, giclee prints, etc.), used in a product to sell on CafePress or similar web site, used to produce more than 2,000 products for resale (where the image is the main product for sale), used in any downloadable format intended for multiple distribution (i.e. web site templates, digital scrapbooking kits, software products, e-greetings, etc.), or used in connection with any pornographic, obscene, immoral, or illegal materials. For many commercial uses (going beyond the limited, small business restrictions listed above), you'll need to download and purchase an individual, 12MB (4 megapixels) Commercial Use license at OldPixels.com.
