Related styles: SPOKEN WORD: Radio Drama, SPOKEN WORD: With Music Details: Ted Rockson and his small band of soldiers fight to rid the land of a Soviet occupational force bent on world domination. But Rockson not only has the enemy to contend with, for out of the ashes of the nuclear devastation of World War III, the Earth has become one large death zone. Mutated animals, destructive storms, and barbaric humans now roam the land. Death seems to be everywhere. Hope seems fleeting. But Rockson will not give up. A loose confederation of secret American Free Cities dots the countryside and awaits its time to rise, and challenge the Soviet armies. They shall be led by the Doomsday Warrior.
