

Groove Agent Patrol 1995 Busy Beat 200 Loops

[DOWNLOAD HERE](#)

This is one of 54 different drumming styles with 54 different sounding drum kits that were used in making all the beats contained on the Groove Agent Patrol 1&2 Sample Library 2 DVD Set. In this awesome collection you will never run out of beats or find yourself bored and looking for another sample disc to get your music that perfect backing drummer. You might even tell your drummer to pack up his drum kit and adjust his attitude! Your drummer might even change his tune when he hears the Groove Agent Patrol and its awesome beats! Either way you win! Numbered in chronological order so they are easy to use and understand , for higher number patterns are more complex. You are gonna love the Groove Agent Patrol! You'll find yourself beating off whenever you get the chance! Beat On! Beat Off! Half Tempo Beat! Beat Beat Beat ! This collection can't be beat! So buy it because I know your gonna love it! All sample loops come in 44 100 kHz stereo format. You get 2 dvd's loaded to meet your beating desire! Some of the previews have a flange effect on them. The sample loops come straight sounding and non affected so you can add your own effects! You will get the preview sample loop in your 2 Dvd collection! Your beatafaction is guaranteed from the Loopatologist member of the Loopmaniac Sanatarium Loopazoidal Looping Team! You are a loopmaniac too and you may not even know it yet! There is hope and a diamond studded straight jacket waiting just for you. Try one on you may like it!
