About Kerrie Dancing Butterfly: Kerrie Dancing Butterfly artfully integrates the fields of self-empowerment, Shamanic teachings, emotional release, spiritual studies, meditation techniques and energy healing. Her core body of work is devoted to assisting people with their personal transformation through the integration of optimal physical, emotional and spiritual health. She is sought after for her private transformational empowerment sessions and lifestyle counseling, healing rejuvenation retreats and sacred ceremonies, inspirational workshops and CD's. During her most recent travels to Peru, Kerrie worked with Shamans in the Amazon and Andes to establish a deeper connection to "Pachamama" (Mother Earth) and the Four Elements while learning Ancient Healing Ceremonies and Sacred Rituals. She has received training in the use of Shamanic Journeying and Healing techniques by best-selling author and Shaman, Michael Harner. Kerrie also studies with author and healer Jessie Ayani integrating the tools for Healing and Awakening the Rainbow Body. She is a certified deep emotional release work practitioner and was trained by master healer and Shaman, James Hyman. She is trained in the art of "Healing with Divine Energy" by master healer Ariel Hubbard. Kerrie is an ongoing advanced practitioner of the Self Awareness Institute led by Steven Sadleir, where she studies the awakening of consciousness through meditation. She is a certified yoga instructor with "Pure Yoga" and ongoing student of master teacher and Yogi-roj Rod Stryker. Through employing these ancient tools and techniques and by conducting hundreds of transformational empowerment, counseling sessions and spiritual readings with her clients, Kerrie has refined her clairvoyant, spiritual and intuitive gifts. For more information on Kerrie Dancing Butterfly and to inquire about her private sessions, ceremonies, workshops and retreats visit
