

# Out Of The Depths (psalm 130 De Profundis)

[DOWNLOAD HERE](#)

Composer and performer Nick Morgan writes: I have written a setting of the 1st verse of Psalm 130 (De Profundis) as a meditation and a focus for people to consider continuing to donate to relief efforts in Haiti. It is also suitable for church groups to use as a focus for prayers. It is sung by my daughter Susie, aged 7. Please buy this track for only GBP0.95. We are donating the proceeds to Worldvision an organisation that has been in Haiti since 1978 and had a staff of 800 already on the ground and is committed to helping Haiti in the long term. I am happy for it to be played publicly at no charge if it is in connection with supporting relief efforts in Haiti. If you would like copies of the music for performance please contact me at [notfitforpurpose@googlemail.com](mailto:notfitforpurpose@googlemail.com).
