GERRY ALVAREZ ODYSSEY". Gerry Alvarez is a founding member, singer/guitarist + song writer for
Canadian Garage-Punk Legends "THE GRUESOMES"!! During the long breaks in the band's career
GERRY has written, recorded and produced 11 original slices of POP-PSYCH ROCK reflecting a wide
range of moods + emotion! "CANDY PRANKSTER" is his first solo effort! A virtual cornucopia of driven
rhythms + surreal passion commencing with the fuzzed-fueled and sly lyric humour of the title track
"CANDY PRANKSTER" thru the catchy lead-in hook + warning of "FLY BY NIGHT" to the phased-out
inverted guitar/vocal harmonies + far eastern drone of "URBAN SHAMAN + HEAVEN" then culminating
with subtle effect on the LENNONESQUE inspired "THE TRAIL"!! Superbly assembled and
performed....We are proud to offer this aural delicacy to the world....BUT DON'T TAKE OUR WORD FOR
IT!! THE TIME IS NOW! JUMP ON BOARD AND JOIN THE ODYSSEY!!!
