His style of playing and his groowy rythms reflect the joy to be alive. In 2007, he came in Australia where he met Bob Druett (famous didgmaker), he spent 3 months in his workshop to make his own didgeridoo with Bob Druett and to learn more about the didgeridoo making. Now he is playing didgeridoo from Alex didgeridoo (didgmaker from France) who is certainly the best didgmaker you can find in Europe.

Gauthier Aub gave some concerts and workshops in many place in Europe (Spain, Portugal, Croatie, England, Hungary...) and he's still finding some new idea to develop the didgeridoo in happyness way with light sound but deep technics. He lives in Dijon (France) where he regularly organises workshop to teach his way of the didgeridoo. Searches:gautier aubÃfÂ© album telechargement
