An amazing and heartfelt story about this frequency is conveyed to us by one of our members who is valiantly battling and winning in his fight with Lymes diseases, his text follows below and is kept in its original form as it was received with no editing. Note ; Ron told me that he felt completely certain that an ear infection he had was greatly and rapidly reduced when he began using these MMS frequencies, you'll see this in the section of the letter below where he states ; '...my last big discovery has been using mms for a ear infection tht my doctor said i needed atibiotics,,,,gone in 3days,i hve now added it too my lyme protocl and have noticed much more improvements in my symptoms...' ----- Donald Adams Beautiful and Amazing Letter from Lymes Survivor using our Frequencies From: ron
