ALL IVE GOT (By G.Mariani, S.Oliva & O.Iacomucci) The day that I was born my mother was seventeen she left her school the year before when she decided to make me live. My father was twenty-three he had a job and he worked hard when he knew that I was a boy he cried thinkin I was the brother he never had. A house for rent and years of sacrifice never looking back with regrets going on day by day working on Sunday mornings to buy a toy your son would play with. When they came back home and set here tired all they wanted to see was a smile, I wanna say Thank you for all Ive got for all you did for me for giving me this life Thank you for all Ive got for all you did for me for giving me this life thank you. Sometimes I think that I was born just for mistake and that I suddenly changed the lives of a girl and of a young man. Sometimes its been hard with me yes I know and Im proud of you for this but the only thing I know is that I love you and all I want to see is your smile, I wanna say Thank you for all Ive got for all you did for me for giving me this life Thank you for all Ive got for all you did for me for giving me this life For teaching me how to take it for trusting me and what I do for all Ive got thank you. (SOLO) For teaching me how to take it for trusting me and what I do for all Ive got thank you. Youre all Ive got thank you.
