===== Too often, the scenario I

see is this: Novice marketers set up the site, which is all beautifully set up, let it run Live and expect to see hordes of people stampeding over to them and buying their products. I'd hate to say this but: No, that

doesn't happen in real life. You see, thanks to the interactive nature of the web nowadays you are

expected to have a couple of things besides good content in your site: Your site needs to have original,

unique and quality content for it to be picked up by the search engine spiders. Your site needs loads of

trackbacks and backlinks in order to be discovered by the search engines for higher page ranking You

need to at least have a blog to interact and constantly update your information. Mind you, all these

methods may be free but they won't be easy to implement. I should know, when I first started it took me

months to consistently hit page one on the search engines! Yes, now, I appear first on the search results

time after time but that is the result of a year's worth of intensive trial and error concerning the various

search engine optimization and traffic generation methods. Today, I have no problem making a site

achieve first page ranking easily with my personal step by step method on traffic generation which I carry

with me all the time. This year, however, after seeing tons of marketers crash and burn in their attempt to

achieve first page rankings in their sites, it was time for me to let them in on my tried and proven

techniques of having swarms of hungry prospects flooding their sites. So right now I proudly introduce:

Traffic Explosion Secrets "The Quick Start Method Of Building Massive Targeted Traffic" This is a

compilation of the SEO and traffic generation methods that have worked over the years for me like

gangbusters, and you can now have the same bees-to-honey effect with your prospects! This powerful

guide holds many keys to generating loads of traffic, including: The two most important main ways of

getting consistent first page ranks in Google What on-site SEO is and how simple and effective it is to execute! How a couple of well written articles can flood tons of traffic to your sites! The place to publish your articles for optimum coverage...we're talking all over the web here! Leveraging on social bookmarking to divert streams of traffic to your main site A short cut way to create your own viral marketing video easily without filming anything! How to use 'fun' social sites such as facebook and twitter to pull in heaps of fans and loyal subscribers! Properly utilizing paid ads for your marketing campaigns...this could save you tons of time and money over the long term! Are you a visual learner? Do you find learning much easier when you are literally shown how to do something? If you do, you are not alone! How would you like to watch a series of videos, that show you exactly, step-by-step, how to master the art of traffic generation in just a few hours time? See here's the thing: I've decided to convert the eBook to a complete video training series.
