Peaceful contemplative instrumental piano music 10 MP3 Songs NEW AGE: New Age, NEW AGE: Ambient Details: Born and raised in the small sylvan town of Mendham, New Jersey, David Tolk studied classical piano from an early age with his mother, a graduate of The Juilliard School. After his first year of law school at the University of Utah, David began performing with folk artist Peter Breinholt and has since recorded several CDs with Breinholt and performed at sold out concerts throughout the western United States. David has recorded five instrumental piano CDs, Mendham, Stories in the Sky, Holiday, Memory Road, and Sacred, which have been marketed and distributed throughout the country. His peaceful reflective music ranges from solo piano to complex, tastefully orchestrated compositions including violin, viola, cello, oboe, and acoustic guitar. David has performed and recorded with numerous performers including Peter Breinholt, Colors, and Ryan Shupe, in concert, on radio, and on television. He lives with his wife and three children at the foot of the Wasatch mountains near Salt Lake City, Utah. When he is not practicing the piano, David likes to spend some of his time practicing law.
