Join The Ranks Of Top Marketing Teachers As You Run Your Own Online Coaching Program From The Comfort Of Your Home... And Generate Profits So High You'd Put Those Conventional Seminars To Shame! From: INSERT YOUR NAME HERE Today's Date Is Friday, May 28, 2010 Dear Friend, How would you like to start making serious money like what many marketing top guns are doing right now? If you are currently selling your own product or rendering your own service, and you want to make at least 5 to 10 times more than what you are making right now - without exerting even half the efforts you're expecting to put in - this is for you. The key to unlock your financial freedom and make an explosive impact to your monthly bottom-line is in DUPLICATION. As long as you have a product you are selling - or a skill you are rendering - and it can be duplicated, you've struck your own goldmine! This is what a lot of experts, professionals and self-employed's do to explode their revenue and income: they start their own seminars or coaching programs! "Why You Should Consider Starting Your Own Coaching Program Today..." * If you have a skill that's in demand, you can plug in a second income-stream by teaching that skill! * There is leverage in a classroom: you make more money teaching a group of students at a go vs. one-on-one arrangements. * Better clients to work with - if you sell your products or service too cheap, the problem is you usually attract cheap customers who do nothing but consume your time and effort, and eats into the true worth of your time. "Unfortunately, Starting Your Own Coaching Program Isn't Easy..." Because if you are in the conventional seminar business - as in you arrange the premise to gather your students, advertise in the local papers, hire staff or recruit volunteers, yadda yadda yadda... This is just too much effort for one person. And even if you work in a group, will the paltry profit margin justify your efforts? This is exactly why I love to do things "The E-Coaching Way".
