Solo Romantic Jazz Piano - Frank Bright offers his direct, elegant piano style to these time-honored jazz standards. This CD is great for easy listening, background dining music or for creating a romantic atmosphere. 13 MP3 Songs EASY LISTENING: Lounge, JAZZ: Smooth Jazz Details: Music was an important part of life early on for Frank Bright. The sounds of his fathers piano and fiddle playing could often be heard emanating from the family home in East Tennessee. It was only natural then when Frank started playing piano at the age of eight. He continued to nurture his love of music, and by his teenage years, Frank was also playing the guitar and dobro. Later in Atlanta, Frank started his music career playing piano for private parties and restaurants, including stints at the Sounds of Buckhead and Marchellos Italian Restaurant. His professional credentials also include studying jazz composition at the prestigious Berklee College of Music in Boston, Massachusetts. Now a resident of Savannah, Georgia, Frank continues to charm audiences with his elegant piano stylings.
