Hold on tight and ride the sonic wave! Inspired by the cutting edge of French filter house we've compiled a stonking selection of sidechained synth loops, drum loops and pumping electro basslines, raining down enough divebombing hooks and beats to make David Guetta's CDJs explode! Ranging from 120-135 Bpm, "Filter House Attack" delivers an explosive galaxy of bouncing club vibes, ranging from laid back filter grooves to uplifting firestarters. With a total of over 200 basslines, synth chords, drum loops and over 100 drum shots this full-on sample pack will enable you to take your crowd into the next dimension... This club-ready pack has been produced and mastered by Prime Loops' resident producer David Rose, compressed to perfection and downloadable preformatted for instant use in your software or hardware. Filtered and processed to the limit, with filenames like "Funkdirt", "ChainMe" and "Nasty Lead" you know this pack's going to be yet another devastating Prime Loops club demolition device. If you don't believe us, just check out the demo above. Expect clearly labelled, triple quality checked files, constructed using the latest and greatest studio technology for hassle-free use and a totally professional finish.
