We are all told that we should be using Twitter for our marketing and there are countless items out there which will inform you of all the ways Twitter can help. New products are being launched every day. Twitter is not overly hard to learn but it will take a little time. This is why 101 Twitter Tips is ideal. It breaks down what you need to know in small, easy to learn lessons. No matter what your learning style, 101 Twitter Tips has you covered. For those of you who prefer to read information the product comes in a pdf e-book. If you would rather listen to the information then you can make use of the product on an MP3 file. If you are a visual learner then you can make use of the information on video in FLV format. We have also included the information on a .pdf poster so you will have a handy reference chart. Last, but not least, we have also broken the tips down into 101 e-mails that you can send out to your list.
