Why am I selling (or damn near giving this away) the private label rights to this plugin? Very simple: I do not have the time to continue development and hoping someone else will take it to the next level! Dont get me wrong, this is a fully functional WordPress plugin that works perfectly with the latest versions of WordPress. You can use or sell it without fear! It is a working plugin right out of the box in the current state. I had plans to add many features to it, but just do not have the time. You could take this plugin to the next level with little effort. The code is simple and NOT encoded. Here are some ideas that were planned: 1. Intergrate a affiliate script 2. Encrypted buttons 3. Subscriptions
