A Voice For Those Without A Voice. Music Displays His Heart Of Compassion For The Ghetto and less fortunate. 15 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Hardcore Rap Details: Raised in the Chicagoland area Solomon Williams (aka Mr. G. Reality) studied the reality of the streets. Gangs and drugs were prevalent in his community. Growing up seeing the oppression and poverty prompted Reality to write songs of change with a heart of compassion and a love for the ghetto. He continues to reach those that society has outcast throughout the years with songs like "Conditioned 2 Be" and "One Day". These songs tell the story of triumph and achievement for those who consistently struggled in poverty. Many compare his lyrics to the late Tupac Shakur. Reality's music touches the hearts of those less fortunate. "I consider myself a voice for those without a voice" says Reality. His first full length project entitled "The Message" debuted in 2004. There is no doubt that this project will change the lives of many with its message of salvation through Jesus Christ. Mr. G. Reality began his gospel rap ministry in 1999. He has performed on the same stage as Cross Movement, Vicky Yohe, Trinity 5:7, Euclid Gray, JudahMan, Damon Lamar, L.G. Wise, Michelle Williams, and Mr. Del to name a few. Look for "The Message" in stores near you.
