The world famous Moomin songbook. Original works by the Finnish master author, Tove Jansson. // De ursprungliga muminsngerna p svenska. 24 MP3 Songs KIDS/FAMILY: General Children's Music, EASY LISTENING: Musicals/Broadway Details: "...a rare disc that adults and children can both listen to repeatedly, unlike so many contemporary kiddie albums. At once fresh and cosily familiar, Moomin Voices sounds timeless." -- WIF STENGER, BLUE WINGS \_\_\_\_\_ THE WORLD LOVES MOOMIN The Moomintrolls have conquered millions of hearts around the world ever since Finnish author and artist Tove Jansson (1914-2001) released her first Moomin children's book in 1945. Find out why so many prefer these peaceful and thoughtful stories to the violent cartoons. THE MOOMINTROLLS AND MOOMIN VALLEY Moomintroll is a kind little creature, who lives with his father Moominpappa and mother Moominmamma in the Valley of the Moomins. Moomintrolls have become a huge success with their individualistic characters, sophisticated humor, and deep sense of freedom. Although Jansson's works have gained worldwide popularity among children, the Moomintrolls are also much appreciated by adults due to a universal message, which can be felt on numerous levels and depths. In the Moomin stories, Tove Jansson achieved a perfect balance between text and illustrations. Songs by Erna Tauro and lyrics by Jansson became the core for Moomin music in the 1950's and 60's on the theater stage. When Tove Jansson passed away in June 2001, composer and pianist Mika Pohjola devoted one year on studies in the nearly forgotten songbook, and produced Moomin Voices in early 2003. Moomin Voices is the first recording of the entire Moomin songbook. These classic and some previously unreleased songs by Tove Jansson feature new arrangements performed by vocals, strings, flutes, recorder, piano, vibes, bass and percussion. "The deep meaning under Tove Jansson's children's stories, which unites families from the baby to the grandmother to love the Moomintrolls, is a true treasure in this world. This aesthetics was the core for my work on Moomin Voices as the music director and arranger," Pohjola comments. Moomin Voices is an Enhanced CD containing over 68 minutes of music and a CD-Rom which includes sheetmusic, pictures, bios, weblinks and more. Packaged in quality

cardboard "Digipak", there's no breaking plastic jewel box to worry about. Moomin Voices is dedicated in memory of the genius painter and novelist, Tove Jansson (1914-2001). \_\_\_\_\_ "...a rare disc that adults and children can both listen to repeatedly, unlike so many contemporary kiddie albums. At once fresh and cosily familiar, Moomin Voices sounds timeless." -- WIF STENGER, BLUE WINGS "I must admit that I never understood the Moomins before listening to Moomin Voices!" -- ANN-CHRISTINE WESTERLUND "...designed a stunningly attractive epic that should enjoy wide-ranging appeal. Highly recommended." -- ALL ABOUT JAZZ "Pohjola skapar just den lekfulla eftertnksamhet som knnetecknar Tove Janssons iakttagelser... Det r sublimt och vackert, renodlat och kta." -- SVENSKA DAGBLADET "...enormt smakfulla jazzarrangemang... samtliga genuint musikantiskt och tilltalande." -- HUFVUDSTADSBLADET "En vrld med lek och gldje, glittrande vatten, dans och sng... S vlkommen in i Mumins vrld... skivan r bde vacker, rolig och fantasifull. Den r absolut inte bara fr barn att lyssna p, texterna har mnga bottnar och tl att hras om och om igen." -- KATARINA JOSEPHSSON, DAGEN "Muminrster r en cd som bara maste bli en succ fr stora och sma." -- BENITA LAANTI-HELANDER, NYA ALAND "Ondligt vackert och stilfullt... ton och tanke star i symbios..." -- ANNA-MARIA NORDMAN, VASABLADET "Musiikki tuntuu muumisaduilta ja kunnioittaa suuresti muumimaailman ilmavuutta." -- TIINA TOLONEN, AKSENTTI "Ruotsinkielist lastenlaulua omimmillaan." -- JUKKA HAURU, HELSINGIN SANOMAT "Musiikki tulvii muumimaailman taikaa" -- SOILA SARONIEMI, ILTALEHTI "Cd:n raidoilta viri mit ihanin Pohjolan luoma ja Johanna Grssnerin laulama soundikokonaisuus." -- HANNU TOIVONEN, SEURA
