Fun educational songs that parents will enjoy. 13 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: Bug Songs is not your typical childrens CD. It's actually fun (and not annoying) for both kids and adults! Bug Songs was birthed from the idea of having fun and educational songs about insects that could be used at elementary schools to teach kids about insects. With this purpose in mind, Bug Songs was written, produced and recorded by Tom Cornwell. Tom is the General Manager of Windsor, Colorado based EnviroPest. Take a listen...bet yet, let your child listen to the "Grasshopper Hop" and see how much fun it can be!
