Cash In With The 10th Largest Website On The Internet, Twitter! Tune In To The Global Conversation And Get Real-Time Access To Your Market Dear Marketer or Business Owner, You have heard of Twitter, many times no doubt! It is on the news, on television shows, celebrities and athletes are speaking to their fans on Twitter and new people are flooding on to the network every day. You will also find a number of businesses on Twitter. Using it to find hungry buyers and connect with their market in real time. The PERFECT sales vehicle in todays fast paced and impatient society. Regardless of what industry you may be in, the sooner you embrace Twitter, the sooner you will open your doors to new business and new money making opportunities. Your privacy is highly respected. Your information will never be shared, rented or sold to any third party and you may unsubscribe any time you want. If you are still not convinced, consider some of these statistics: * Twitter has over 150 Million registered users * Twitter receives over 180 Million unique visitors a month * Over 300,000 new users join Twitter every day * Over 600 Million searches are sent to Twitter each day Of those 600 Million searches, many people are looking for solutions to problems and YOU can provide the solution! This is where you and your business come in! Imagine being able to hear from a potential customer with a real problem, connect with them in real time and offer a solution to their problem. This is a fantasy scenario that business owners could only dream about... until now. Embrace the power of the global conversation and give your business one SERIOUS competitive edge. The problem for many business owners is that they see the value in Twitter but they dont believe they have the time to even look at it. And that is the biggest misconception we must dispel. The real issue is that they dont have time NOT to get on Twitter. And doing so can actually be a lot easier than you might think. Introducing... Teach Me Twitter- Your 5 Day Twitter Course! This is a course that anyone (even people with very little tech background) can take and follow, step by step, to get their business up and running on the incredible Twitter network. The course will walk you through all of the required steps from basic setup to advanced customization and automation. You are a business owner (or a provider of services to them) and your time is more valuable than anything else. We understand that better than anyone else so we have put together a training framework that will minimize your time

investment, maximize your results and get Twitter fully integrated into your overall business marketing efforts now! Here are some of the powerful lessons you will learn In Teach Me Twitter: * How to create an account that gets noticed * A short and painless process that gets you tweeting within minutes * Some simple tools that will make Tweeting fun * How to find key influencers to follow * How to get these influencers to follow you back and network with them * Using Twitter to find potential prospects who need your stuff today * How to send Tweets that get noticed and engage new conversation * Setting up custom searches so you know when, where and who has been talking about problems that your business can solve * How to enhance your Twitter experience with automation This course is delivered as a series of 21 videos and a step by step PDF guide that you can use as you watch the videos. Invest just an hour or 2 a day over the next 5 days and you will have all of the knowledge you need to make Twitter a major part of your sales and marketing department. Here is exactly what this digital download 5 Day Course includes: The PDF Guide: A 29 page guide that breaks down the entire Twitter education process into 5 manageable chunks that can be implemented over 5 (or less) days. Each day contains steps and check boxes that you can literally print out and follow one by one, checking off each step with a pen. The Flash Videos: 21 high quality screencast videos recorded live using a new Twitter account. The 21 videos are broken into 5 days (to go along with the guide) and each folder is numbered so the entire course can be studied in a specific sequence. Heres What Youll Be Learning Over The Next 5 Days... Day 1: Lesson 1 - How To Set An Account Lesson 2 - How To Set Your Profile Lesson 3 - How To Set Customize Your Background Lesson 4 - How To Add Twitter Clients Day 2: Lesson 1 - How To Follow Others Lesson 2 - How To Follow Others via Blogs Lesson 3 - How To Follow Others with Keywords Lesson 4 - Using Twittergrader Lesson 5 - How To Create A Following List Lesson 6 - How To Get Followers Lesson 7 - How To Unfollow Others Day 3: Lesson 1 - Tweeting Basics Lesson 2 - What to Tweet Day 4: Lesson 1 - Search Basics Lesson 2 - Trending Topics Lesson 3 - What to Search For Lesson 4 - Search Feeds Day 5: Lesson 1 - Power Twitter Lesson 2 - Scheduling Tweets Lesson 3 - New Followers View Lesson 4 - RSS Feeds to Twitter This is NOT some little sloppy course thrown together! You are getting a complete 5 day course that will show you exactly how to harness the power of Twitter. You can use the video course yourself, or use it to help local businesses understand the power of Twitter. Order you copy today and watch it from the comfort of your office. No worries about any special software or logging on to the internet. The videos are downloaded to your computer which allows viewing at any time. All the videos

are in the standard Adobe Flash format. This is free and you can test if you already have it installed here. If you do not, you will be shown how to. Special Bonuses Now Included!... 20 Twitter Backgrounds Why stick with the default Twitter backgrounds that simply waste profitable marketing space? Use our Twitter backgrounds to add links to your Facebook profile, your website domain, affiliate links and much more! Auto-Tweet Scheduler Auto Tweet Generator is a small php script you can use to automatically tweet your messages for you every day. Its the autoresponder for your Twitter account! You install it in about 5 minutes then login and setup your messages and your Twitter account is now sending your followers valuable content on autopilot! You can generate an infinite number of these automatic tweets and put them to work for you to build up your raving fan base! All you have to do is upload 3 files to your server and its ready to go. Its so easy to do, even a caveperson (being politically correct) can do it! Once you have ATG installed, it will only take about 30 seconds to get going. And not to worry, full video directions are provided! Build Your List Faster - Setup tweets about your free gifts to get more people to opt in to your list. Promote Affiliate Programs - Setup tweets to make sure everyone knows about the latest affiliate program youre promoting. Special Offers - Setup tweets to offer discounts or additional bonuses for your products! Surveys - Setup tweets to ask your followers for their feedback - youll get all the information you need to improve your business and increase your profits! Build Up Buzz - Setup tweets to get your followers buzzing about an upcoming promotion/product launch Content, Content - Setup tweets and link to valuable content from you or from others that your followers can benefit from.. This is is last on the list but the most important! The more your followers appreciate what you tweet, the more they will retweet your messages! Gaining you more followers virally! And to top if all off, youll even get a full 60 day guarantee so even if you dont feel you got your moneys worth and manage to start a new following of active tweeters youre entitled to a full refund! P.S. Dont let this pass you by! The quality of this site and the training that comes with it is second-to-none. Im kicking myself for letting it go at this price but I want to make this possible for you and well within your reach! P.P.S. Dont forget Im backing with this with a full 60 day money-back guarantee! If youre not happy with the training, simply Email me and Ill refund you without hassle!
