First, you will be pleased to find out that you don't need the following to begin with when it comes to using what I teach in Instant Site Flipping Riches: No Previous Experience Required No Costly Website Investment (nothing more than a couple hundred bucks) No Joint Venture Partners No Mailing List You will also quickly find out why I'm always excited when it comes to site flipping: unlike majority of the 'get rich quick' systems out there that promises the sky but delivers nothing more than thin air, this method is duplicable to just about ANYONE! In other words: what works for one person, can also work for the other! Finally... Your Ticket To Wealth Is In One Big Package! You Will Be Learning Things Like: Module 01: Site Flipping for Profits OverviewFlash Video + MP3 Audio + PDF Transcript Included! The first module reveals the necessary ground work you need to do for every website so you can make them 'flippable'. Know your exit strategy before you even go on to construct your first website. If the website cannot be automated, is attached to strongly to you as an individual or dependent on the owner, the website CANNOT be sold. This is a classic mistake website builders make and the first step is to avoid that first! Module 02: How to Buy Low and Sell HighFlash Video + MP3 Audio + PDF Transcript Included! The fastest way to have a website for sale is to buy one. But if you want to make a profit from it you must know how to buy low before you can sell high. I reveal how I do this 'unfair' exchange with my share of advantageous tactics to reap high profit margins... allowing you to flip websites on a massive scale! Module 03: How to Create Site for ProfitsFlash Video + MP3 Audio + PDF Transcript Included! Just starting out? Running on a tight budget? No worries! I show you how to create websites from scratch using little cost that is next-to-nothing. This is NOT your "How to build a klutzy website 101" guide. I always talk about the exit strategy, which is to ultimately sell your business (in this case websites). This is how all your websites will be architect from now on - programmed to be sellable and to be sold for big paydays! Module 04: Adding Massive Value to Your Virtual Real EstateFlash Video

+ MP3 Audio + PDF Transcript Included! Website buyers look for a few key criteria and requirements before they decide if the website is worth buying over. And how would you know? The answers are in this module. Learn how to add massive value to your website or list of websites, and do it all with a small ounce of effort, time and cost on your part! Module 05: Online Places You Can Auction Your SitesFlash Video + MP3 Audio + PDF Transcript Included! This is it!
