

Mp3 The Vermin - A Fist Full Of Hell

[DOWNLOAD HERE](#)

The Vermin have been called the "punk rock Rat Pack" and are as well known for their x-rated stage banter and endless insults as for their aggressive music (think Don Rickles meets Black Flag). 30 MP3 Songs ROCK: Punk, ROCK: Modern Rock Details: This is your daddys punk rock. No emo, parents didnt love me enough, pop bullshit. Our roots come from the 1980s Vegas scene. We were there then and we are here now. Founded by Pussykat Tattoos own Dirk Vermin on guitar /lead vocals, local legend and resident band whore Rob Ruckus on bass /vocals and the endless energy of Turbo Proctor on drums. This is the line-up and will be until the last show. THE VERMIN, a Sin City institution for the past decade. With the release of this new compilation they show why they continue to be one of the most resilient and entertaining bands in Las Vegas history. 30 career spanning tracks! Best songs, live shit, rare more! Sell your CD collection today, this is all the music you'll ever need!
