sweet resort dub music made by two guitars and cheap rhythm machine 10 MP3 Songs WORLD: Reggae, ELECTRONIC: Breakbeat/Breaks Details: Pasadena was formed in March, '03. Pasadena is a solo unit of satoishi ishimoto who is Japanese. He is an owner of the Indie label named mao.(mao-jp.com) The sound of pasadena is very peculiar. His guitar has received the influence from NewWave very much. And, compatibility with the rhythm track that he made is wonderful. Pasadena live acts from the cafe to outdoors Festival in various fields. And, Ishimoto co-stars as Dubmixer with various artists. Live in the band set is done for 04 years with rhythm section cooled "poundhip upsetters" (The drum: Yu Ojima and base: hideyuki fujikawa), and it is popular in various places. There is a voice that criticizes pasadena and calls, "Meet about Kingtubby and dluttie clum happy", too.
