lilmike917@hotmail.com The group's founder, Michael Boykin, spent 7 years with Slim and The Supreme  
Angels playing keyboards and singing 2nd lead. After answering the call of God to finish what he started  
in his hometown of Clinton, NC with his brothers and friends, Michael called on his friend, Ray Braswell,  
Jr., one of the musicians for Keith "Wonderboy" Johnson, and shared what the Lord had spoken to him.  
Within 3 weeks, the long anticipated recording was completed and ready for release. Before its release,  
however, Michael felt the need to give this project back to the Lord and on September 29, 2005, Michael  
Boykin The Mighty Voices did just that. Since the group had already begun their climb to success by  
singing on major programs with such greats as Slim and The Supreme Angels, Lee Williams The  
Spiritual QC's, Damon Little and Nu Beginning, and Willis Pittman and The Burden Lifters, they were now  
ready to hit the Gospel music circuit. The project's powerful title, "Young Saved", has caught the attention  
of many young people wanting to know more about this new soul-stirring group on the gospel scene. The  
songs on this debut project sweeping the airwaves are cuts #4, "Never Gave Up On Me"; #1, "When I  
See Jesus"; #7 "Put God First"; and #10, "Take It Away". After you play these and other cuts, your phone  
lines will start to light up from listeners inquiring of this soul-stirring group and this new sound. However,  
you are sure to find something for everyone's taste in Gospel Music, both traditional and contemporary.  
We are confident that you will give Michael Boykin The Mighty Voices heavy air-play. If we can be of  
further assistance or for bookings, please give us a call. God bless you, Michael Boykin Founder/CEO
