Beautiful melodies and danceable rhythms emanating from world instruments, home-crafted instruments and the human voice. 12 MP3 Songs WORLD: World Fusion, WORLD: World Beat Details: Connecticut alt. World quartet SaReel Project releases their long awaited second CD entitled Worldology. Hauntingly beautiful melodies and danceable rhythms are accompanied by a multitude of world and homemade instruments. Flowerpots, didgeridoo, mandolin, African kora, and a wide variety of flutes round out this eclectic ensemble of composers and innovators. Sareel Project is Sasha Bogdanowitsch, Darryl Gregory, Peter Hadley and Robert Nasta. The Sa-Reel Project began as a collaborative effort between composer / performers Darryl Gregory and Sasha Bogdanowitsch and grew to include the talents of Peter Hadley and Robert Nasta. The ideal aspect of this collaborative 'avant-world' ensemble is to explore the myriad sounds available to composers using instruments from around the world as well as common household items, junk and Western instruments and instruments of their own design.
