[DOWNLOAD HERE](#)

Red hot blues roots at it's finest,extraordinary guitar work with bends that will send chills to the bone,excellent voice by Vega with a lot of soul. You can't go wrong here..... 11 MP3 Songs BLUES: Texas Style, BLUES: Rockin' Blues Details: Red Hot Blues Roots... Straight outta' Texas! "Tony Vega is a monster!" - Billy F. Gibbons Holy S**t! one can quickly understand why Vega and band are quickly becoming the hottest ticket in Texas and Europe. These guys are goin places few reachmark my words! - Real Blues "Must be something in the Lone Star state's water - where else do so many sizzling acts make their home? ...find out what the buzz over the Tony Vega Band is all about." - Blues Revue Exceptional in every way. Blues Revue This release has the potential to cross boundaries, and go where few bands have gone before, national airplay and widespread appeal. Music News Founded in 1997, the Tony Vega Band has become one of the premiere independent blues rock acts in the world. This hot Texas act has forged their own brand of blues roots infused rock n roll. What makes the bands sound especially unique is Vegas relentlessly soulful guitar and one of the most unique velveteen voices to come out of Texas in years. The hard driving, hip-shaking rumble is provided by longtime TVB drummer Jeremy "Honeyboy" Pierce and Gulf coast blues veteran bassist Larry "Lownote" Johnson. Find out what the buzz is all about!
