Michael presents his beautifully composed original instrumental acoustic guitar music. Enjoy this tapestry of new age, classical, jazz, and folk music styles - perfect for relaxation, romance, massage, sleeping, holistic healing. Windham Hill style. 18 MP3 Songs NEW AGE: Healing, CLASSICAL: New Age Details: Michael lives in gorgeous Annapolis, Maryland where he loves writing instrumental sound tracks for commercials, movies and films, while featuring his mastery of guitar styles on the acoustic guitar. This CD is inspired by hiking many of The Appalachian Trail Systems. There are also environmental sounds such as rolling thunder storms, waterfalls, birds, eagles, crickets, wind, owls, etc. This CD is great for music therapy! Recently Michael was asked to write an hour sound track for a Relaxation DVD about scenic Cape Cod. This DVD has been used in many capacities in the healing sciences profession. In fact, Harvard Medical University is using this DVD and sound track for their "Mind and Body" Healing Program for the terminally ill. Massage Therapists, Yoga Instructors, and Relaxation and Reflexologist Therapists rave about finding the perfect music for their profession and clients. Michael's guitar instrumentals have also been featured on Virginia and Maryland Public Television. In fact, the commercials were produced by Steven Fischer, Emmy Nominee and three-time winner of the prestigious Telly Award. Additionally, Michael's music is being sold at retail gift stores throughout North America, and to our National and State Park gift stores, Hospitals, Chambers of Commerce, State Welcome Centers, Museums, Spas, Resorts, and Massage/Yoga Clinics around the world. His instrumentals are written for the acoustic guitar and blended with piano, flute, and strings. Michael very much enjoys New Age, Classical, Latin, Jazz, and Folk styles of guitar playing. Michael's flowing music is ideal for holistic healing, massage, sleeping, yoga, meditation, relaxation, and the healing arts as well as for reflection, and creativity. He has 14 guitars but favors his Taylor 814 CE. Michael owns a recording studio named The Note Factory where he produces exceptional regional musicians, and he also gives music and songwriting lessons. When not in the studio Michael can be found power boating, kayaking, mountain climbing, or lounging on the beach...
