Militant but groovy reggae compilation album with a song for almost every mood, highlighting love and unity and responsible behavior. 18 MP3 Songs

**WORLD: Reggae, WORLD: Island Details: Road Dog Production** is an independent music label committed to providing fresh conscious music for the people, showcasing a number of singers and Djs. Road Dog Production music ranges from roots reggae, lovers rock, to dancehall, hip hop and R&B. Road Dog Production was formed in 2004 by exceptionally talented musician and producer Hopeton Hibbert and singer/SONGWRITIER Natalie Walsh. After years of touring and recording in the studio, Hopeton who is the son of music icon Toots Hibbert OF TOOTS AND THE MAYTALS saw the need to put a fresh stamp on the Jamaican music industry hence the creation of the record label. The label started out recording at various studios with its first set of artistes,Chrisinti, Roundhead, Systa Irie Jlee, Famous Face and has grown tremendously since its inception. A couple singles were release through All Access Distributors . The year 2005 was spent setting up its own recording studios and creating its music arsenal. The label has embarked on several projects and has created the groovy Confessions Rhythm, Breaktime Riddim ,Gold Riddim to name a few, all created by the labels CEO Hopeton Hibbert The Confessions Rhythm was released in January 2006 as a joint project between Road Dog Production and Shane Browns JukeBoxx Label. The release was well received and has spawned the #1 hit Gash Dem by Chuck Fenda and radio favorites SIZZLA, Good Men by Lady saw, Jah Time by Fantan Mojah, Live it up by Tok among many others. The compilation is in the running for the best release for 2006 as it continues to receive frequent spins on all radio stations and racking up sales in the record shop. The hot new "Breaktime Rhythm" was released on vinyl in November 2006.This album feature fabulous songs from yellowman Morgan Heritage Warrior King Richie Stephens Syta Irie Etc. These songs are available on Vynyl singles on oj36records.com. The complete album becomes availabe in January 2007.This album is destined to be another huge hit for the Road Dog as it has been picked up by radio and get frequent spins.Another release "Solid as a Rock" by reggae singer Richie Stephens is also available. Currently they are putting the finishing touches on the Gold Digga riddim which will also be released soon. The artiste featured on the riddim are Chuck Fenda,

Warrior King, Yellowman, Toots and the Maytals, Richie Spice Redd Foxx and Sista Irie etc. For Road Dog Production this is just the tip of the iceberg of its aim to refresh the music scene . The world can brace itself for more thought provoking soul stirring hip shaking chart topping hits.
