The story that I am sharing is a very personal one. I cried many tears for 4 years but believed that God would not forsake me. We shared the story by e-mail for four years and people prayed all over the world. Her name is Kyalimpa Faith. That is what her parents named her before she became an orphan. She lived in a hut. We didnt know that it would take us on a very emotional faith testing journey. It will have been four years since I first saw her picture and fell in love with those beautiful eyes. She looked very sad at first but all she needed was a chance. Many miracles have taken place in the four year wait and we desire to share it with the world. It also will help us to continue to support the orphans that are left behind at BeverlyB Ministry Kenya. We ask you kindly not to burn copies for friends but buy them as we will use it to feed our orphans and widows. Assuredly , I say to you , in asmuch as you did it to one of the least of these my Brethren you did it to me. Matthew 25:40
