En Esch Guenter Schulz (formerly of KMFDM) combine harsh industrial strength and awesome groovy tunes to a new level of powerful dancefloor smashers. 14 MP3 Songs ELECTRONIC: Industrial, METAL/PUNK: Gothic Metal Details: Coming to rescue Industrial music fans stranded in a land of complacency are EN ESCH and GUENTER SCHULZ, together as SLICK IDIOT! Formerly core members and co-founders of KMFDM, ESCH and SCHULZ left the groundbreaking industrial powerhouse in 2000 forming their own project, SLICK IDIOT. The duo released their first album, Dicknity, in 2001: currently available on Itchy Records and distributed by Cleopatra. After releasing ReDickulous, an innovative remix CD comprised of songs from Dicknity remixed by friends and fans of the band and distributed through Underground, Inc., ESCH and SCHULZ returned to the studio and created SCREW TINIZED. The fresh new music that resulted retains their distinctive sound with unexpected twists and is sure to resonate with their broad fan base. The logical follow up to their last full length album was another awesome remix CD which saw the light of day in late 2006 called xSCREWciating containing a first taste of what will hit you in early 2008a new song called Hot Stuff which became a big club smasher all over the world. STAY SLICK....IDIOT!!!
